SPECIFIC— Recent Talks with President Hubert Schruebbers of the BfV

In connection with the forthcoming trip, we are forwarding herewith a memorandum sent by Thomas C. Hughes to his Headquarters and an informal memorandum we are sending back to him in reply. We are making every effort to make these exchanges SOP where they do not impinge on need-to-know matters. It is now our practice to brief Hughes on our return from the BfV on all points which fall in the policy and plans and personnel categories. Though much of the information could be sent in individual memoranda under headings which would make it easier file-wise for you to handle the material, we face this same dilemma ourselves and finally chose in favor of retaining the flavor of SCHRUEBBERS remarks themselves, since we believe he needs a great deal more study by us here before we can commit ourselves unequivocally as to what makes him tick.
